Subject: Dominion Rate Case Virtual Public Hearings - Docket No. 2020-125-E

## To Chad Burgess and Matt Gissendanner:

Gentlemen, I need to get some information from you. When the Commission hosts virtual evening public hearings like the ones that will be held next week on the Dominion Rate Case, the Commission runs a "trailer" on the video feed that allows consumers to call the Company involved in the case, ORS, and the Department of Consumer Affairs for more information on the rate case. I would appreciate it if you could furnish me who or what Department Dominion wants to be the recipient of such calls, and the hours that that person or Department will be available to take calls. Thanks in advance for your consideration in this matter.

Regards,
David Butler
